And declared the Meeting duly convened and proceeded to consider the following agendas, to be conducted by Mr. Jak Chamikorn, Ms. Koranun Sukonritikorn, Ms. Vinita Chamikorn, Gen. Surasuk Sukha, and moderator ("Meeting's Conductor") for this Annual General

Meeting of Shareholders 2024. The Company has recorded the Meeting in the form of video media and will post such media on the Company's website for shareholders to view and replay.

Prior to the start of formal proceeding, MC has informed the voting procedure to the Meeting. Detail was as follows;

- For general agenda, voting for each agenda item will be done openly, counting one vote per share. Shareholders or proxies must vote only in one way: agree, disagree or abstain. Voting cannot be divided into parts.
- In the case of proxy, the proxy must vote only as specified by the grantor in the proxy form. If the proxy does not specify their intention to vote on any agenda in the proxy form, or is not clearly specified, or in the event that the meeting considers, or votes on any matter other than what is specified in the proxy form, including cases where any facts have been changed or added. The proxy has the right to consider and vote on their behalf as they see fit.

Agenda for the election of directors, the method of voting shall be used to select individual directors and shareholders or proxies may vote for persons nominated as directors not exceeding the number of directors to be elected at that time which votes equal to one vote per one share and unable to be divided.

The practice for voting in each agenda is that the MC will inform shareholders to consider voting in each agenda. The opinions of the Meeting will be asked as to which shareholders disagree or abstain from voting or not and request to vote on the ballot that has been distributed to everyone before attending the Meeting by writing a check mark in the square box on the ballot that has been distributed.

In the event that a shareholder disagrees or abstains from voting, the shareholder or proxies must raise their hands and wait for the company's employees to collect the ballots to count the votes. The remaining shareholders are considered to agree without having to raise their hands. Accordingly, shareholders or proxies can vote upon single opinion.

The procedures for counting votes are as follows:

The Company uses the method of counting votes from ballots that was distributed to all shareholders when registering to attend the meeting. In counting votes for each Agenda, the Company will tally all the votes of shareholders who attended the meeting in person and

those of proxies who voted in advance, and the MC will announce to the Meeting's results of the vote count for each Agenda. After voting in each Agenda has ended by reporting the number of votes agreeing, disagreeing, abstaining and invalid ballots. In the case that the votes are equal, the Chairman of the Meeting shall have a final cast the deciding vote even though he is not the Company's shareholder.

As the Company has given shareholders an opportunity to submit questions in advance of the 2024 Annual General Meeting of Shareholders from December 8, 2023 to February 5, 2024, it appears that no shareholder has submitted questions in advance. Attendees who wish to inquire should write their questions on the paper provided to shareholders attending the Meeting and send to the staff, the Company will answer questions in the meeting room only on matters related to the Agenda that is being voted on.

When no one objected, the Chairman proceeded with the Meeting according to the Agenda as follows:

Management Discussion and Analysis (MD&A)

Balance sheet

Assets

The Company and subsidiary company's total assets posted at Baht 7 78.20 million which decreased from previous year by Baht 6.13 million or 0.78 percent, mainly due to a decrease in other non-current financial assets which is the liquidation of affiliated company.

Liabilities

The Company and subsidiary company's total liabilities posted at Baht 3 50.42 million which has been decreased from the previous year by Baht 17.44 million or 4.74 percent mainly due to the decreasing in long-term loans from financial institutions.

Shareholders' Equity

The Company and subsidiary company shareholders' equity posted at Baht 364.36 million which has been increased by Bath 10.37 million from the previous year or 2.93 percent mainly due to its net operating profit.

Income Statement Revenues

Rental and service revenue recorded at Baht 72.01 million which has been increased from 2023 by Baht 10.27 million or 16.64 percent compared to the same period previous year, since the company can find customers to replace customers who request to terminate space rentals. Accordingly, its occupancy rate is increased and revenue from rental and services has been slightly increased.

Sales revenue recorded at Baht 8.43 million which increased by Baht 1.88 million or 28.81 percent compared to the same period previous year mainly due to more electricity usage of tenants. As a result, income from electricity sales of subsidiaries in the renewable energy group increased.

Revenues from construction recorded at Baht 22.61 million which has been increased by Baht 14.29 million or 171.71 percent from the previous year mainly due to an increase in construction work for solar power plants. As a result, construction income has increased.

Expenses

An overview of the management's discussion and analysis is as follows:

The Company and its subsidiaries had a net profit of Baht 10.63 million, when compared to the same period of 2022 had a net loss of Baht 18.73 million, resulting from:

- Total revenue from the operation of the Company and subsidiary company was increased mainly due to increasing in construction revenue by the construction of solar power plants in both the public and private sectors, with up to 15 projects delivered in 2023.
- Total cost was increased subject to construction costs increased and construction income increased.
- Administrative expenses decreased mainly due to the expected credit loss is due to the expected credit losses decreased due to the recognition of the allowance for doubtful accounts of the income expected to be received from the solar power generation system project, which the employer encountered problems causing an overdue payment.
- Financial costs increase due to bank interest rates increased from the same period last year. As a result, interest expenses will increase.

The Influence Factors

Positive Factor

- The Government policy has emphasized on Eastern Economic Corridor (EEC) project and Super Eastern Seaboard project that cover 3 eastern provinces i.e. Chachoengsao, Chonburi and Rayong to promote and attract to the investor and to facilitate one stop service. According to the Company's advantageous location which locates on the main high way Bangna Trad km 52, the Company

has been affected and gains benefit from the mentioned government's promotion policy.

- Being the industrial park which could serve varieties of customer's desires and allocate rental and service space in both small to large size area or built to suit option has been considered as an advantage of rental and services business.

Negative Factor

- 1) The spreading of new disease or War situation abroad resulted as recession economic both international and domestic level as follows:
 - Directly affected on the foreign customer both in general zone and free zone, some tenants requested to decrease size of rental area, to terminate rent and services contract before the contract expire and not renew the rent and services contract. Accordingly, the Company may earn less revenues from rent and services.
 - Affected on the Company's construction business where investors may delay expansion of investment or employment. Including labor recruitment and ordering construction materials which caused to the increasing of construction cost and operation net loss.
- 2) The Company's liquidity may still affect the project's movement and operations of the Company as the Company required source of fund from financial institutions and other institutions as an alternative investment allocation and working capital in the company including looking for partners to invest in other projects as well.
